WELCOME...

Welcome to the first edition of our new-look charity newsletter!

As we step into spring, I'm thrilled to share some exciting news with you: from now on, we'll be bringing together our Baby Beat and Lancashire Teaching Hospitals Charity newsletters into one! This change will help us keep you up-to-date with everything we're doing, and celebrate the incredible impact we're making together as one big community.

I want to take a moment to say a huge thank you for your incredible support and generosity, especially over the Christmas season. Your kindness has been truly amazing, and the funds you've helped raise are already making a real difference. We simply couldn't do it without you!

Looking ahead, we have an exciting year planned, with fantastic events like our Charity Abseil, Cross Bay Walk, and our brand-new Firewalk event! Keep reading for all the details on how to get involved - we'd love to have you join us.

With your continued support, we know we can make an even bigger difference for the patients, families, and staff at Lancashire Teaching Hospitals.

Thank you for being such an important part of our fundraising journey!

Joanna Allitt
Fundraising Manager

Spreading Christmas Joy!

A huge thank you to all our supporters for your incredible generosity over the festive period!

Thanks to your support, our Give a Gift campaign successfully delivered presents to over 1,000 inpatients - including babies and mothers in our maternity units - ensuring, ensuring they had a gift to open on Christmas morning. We are so grateful for the amazing generosity shown by businesses, community groups, schools and individuals across our local community. A special shoutout to Stagecoach Preston for taking our campaign on the road—donating a double-decker bus for the day and sending us the best bus driver ever… our very own Father Christmas!

December also saw the return of our annual Jingle Bell Jog, where over 80 runners and fundraisers took to the track at UCLan to show their support (and warm up in the winter chill!). Together, we raised an incredible £2,000 to support the thousands of children we care for each year.

From the NWAS Choir raising funds for Baby Beat to supermarket collections and countless generous donations, your support helped spread Christmas joy to our patients - and we simply couldn't do it without you. Thank you!

THANK YOU TO OUR INCREDIBLE SUPPORTERS

Half-Marathon success for Emily!

A huge and well-deserved thank you to Emily Harris, who has been fundraising for our Critical Care Unit in honour of her friend Ailish. Emily wanted to give back to our incredible ICU staff for the outstanding care, support, and treatment Ailish received during her battle with Sepsis.

Taking on the Manchester Half Marathon, Emily raised an amazing £3,500! Returning to the Critical Care Unit was a truly special moment - one that celebrated both Emily's fundraising achievement and Ailish's incredible strength and determination.

Thank you, Emily, for your dedication and support!

A cut above at Morrison Telecom Services

Four brave managers - Neil Trudgill, Ashley McGivern, Carl Benham, and Chris Hodgin - took on a 'Brave the Shave' challenge in support of our Children's Fund, raising an incredible £1,324.80!

Their fundraising total was boosted by office competitions, tuck shop profits, and generous staff donations. On top of that, the team also donated 50 selection boxes and gifts to our Give a Gift campaign, spreading even more joy to children in our hospitals over Christmas.

A huge thank you to Belle French for coordinating and Nathan Beckett for nominating our Children's Fund. We are so grateful for your support and generosity!

Thank you, Ollie

A huge round of applause for five-year-old Ollie Slocket, who has smashed his fundraising goal for our Give a Gift campaign!

Ollie took on an incredible 1K cycle along Morecambe Prom, not only setting a new personal distance record but also raising an amazing £1,500! This young superstar showed incredible determination, completing the challenge in 1 hour and 35 minutes.

Ollie's goal was simple but powerful - to spread joy at Christmas and make sure every child in our hospitals had a present to open. Mission accomplished!

Thank you, Ollie - you're a true inspiration to us all!

Another fantastic scooter selection box run

Thank you so much to everyone who took part in this year's annual Scooter Selection Box Run. For over 20 years, Norman Hunter and Scooter Clubs from across the region have come together to spread festive cheer to young patients at Lancashire Teaching Hospitals Trust. Their generosity and dedication have made this a much-loved tradition, and this year was no exception.

Thanks to their kindness, hundreds of selection boxes, books, and toys were delivered to the children's clinic, children's ward, children's A&E, and outreach clinics at both Chorley and Preston. The joy these thoughtful gifts brought to our young patients was truly heartwarming.

Much ado about giving

It's always inspiring to see our own staff show kindness and generosity towards our hospitals, and that's exactly what third-year student nurse Ben Constable has done.

Ben is a member of the Royal Antediluvian Order of Buffaloes, a historic charity group dating back to Shakespearean times. As part of his membership, he was awarded £100 to donate to a cause of his choice—and he generously chose our Dialysis Unit.

Thank you, Ben, for your hard work, generosity, and support!

Spooky raffle success

A big thank you to Laura Dunn, our fantastic Safe Centre Manager, for organising a Halloween raffle that raised an incredible £1,800 for the Lancashire SAFE Centre.

Throughout October, Laura's hard work and dedication helped raise funds for those extra touches that go above and beyond to support both staff and patients at the centre.

A massive thank you to everyone who bought tickets and supported the raffle - your generosity makes a real difference every day.

D&G Builders' incredible support for our patients

We're extremely grateful to the entire team at D&G Builders and Joiners for their incredible donation of £3,000 to our Give a Gift appeal this Christmas. This generous contribution allowed us to ensure that every patient spending Christmas morning at the hospital received a present.

D&G Builders continue to show unwavering support year after year, with their total contribution for 2024 alone reaching £9,189. From conquering the Born Survivor Challenges to supporting our Baby Beat and LTHC Raffles, their generosity truly knows no bounds.

Thank you, D&G Builders, for consistently choosing to support us and for always demonstrating such strong community spirit. Your kindness makes a real difference!

Virgin Money gives back

Naima Patel, a Customer Consultant at Virgin Money, was inspired by the incredible work we do here at Lancashire Teaching Hospitals Charity and wanted to contribute. She, along with her wonderful colleagues and customers at Virgin Money UK in Preston, made a generous donation of toys for our Give a Gift Campaign.

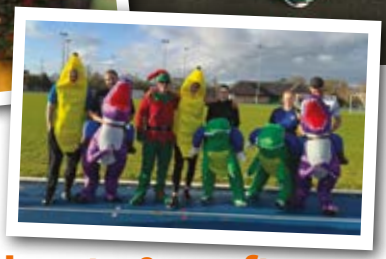
Your kindness brought immense joy to the patients we cared for over Christmas. Thank you for making the festive season extra special!

MJH Accountants' amazing fundraising feat!

A massive thank you to MJH Accountants for their incredible support of the Lancashire and South Cumbria Motor Neurone Disease (MND) Care and Research Centre. In just two years, the team has shown unmatched dedication and generosity, raising an unbelievable £12,000!

This remarkable achievement came from events such as sponsored walks, a dazzling black-tie ball, and a festive Christmas social. What made their support even more meaningful was their personal connection to the cause. Sadly, a family member of one of the colleagues at MJH was diagnosed with MND in 2022. Their fundraising journey was inspired by this and continues to shine brightly, raising awareness and improving care and research for MND in our local area.

Thank you, MJH, for your kindness and unwavering support - it means so much to us and to everyone affected by MND.



Bringing joy through arts & crafts on our Children's Ward

A huge thank you to our incredible supporters who have helped replenish much-needed arts and crafts supplies for our children's ward at Lancashire Teaching Hospitals NHS Foundation Trust.

A special thanks to Chantelle Smith and the team at Everlast Gyms, who set up a donation station to collect supplies from members, staff, and the public, delivering fantastic donations to the hospital.

We would also like to express our gratitude to Rachael Collins and Zoe Woof from 360 Ambulance Service, whose continued support over the past 18 months has been invaluable. Recently, their team has worked tirelessly to collect arts and crafts supplies for our children's ward.

Costa's corporate fundraising!

We are incredibly grateful to Alaynah and the wonderful team at Costa Coffee Queens Retail Park for their continued support of our hospital charity through their collection box over the last two and a half years.

Thanks to their dedication and the generosity of their customers, they've raised an amazing £644.22!

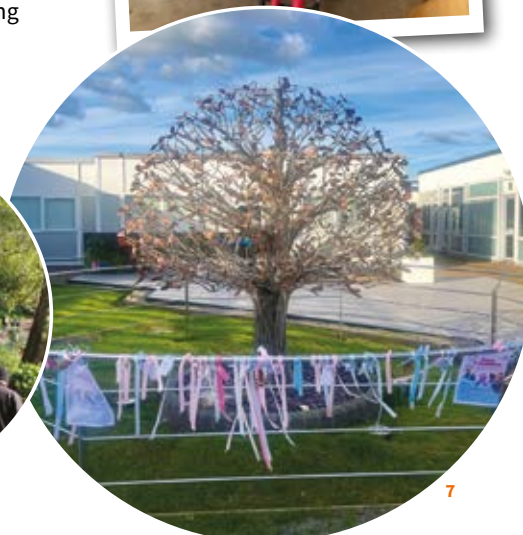
A very special Baby Loss Awareness Week

We want to extend a huge thank you to everyone who supported us during Baby Loss Awareness Week. Your kindness and generosity truly touched us. We were deeply moved by the many donations and purchases of our remembrance ribbons and candles, knowing how tough this week can be for so many.

It was heartwarming to see so many of you join us, along with our colleagues from the maternity bereavement team, at the Service of Reflection and Remembrance. We were also incredibly moved by those who came out to support our annual Walk to Remember in Avenham Park. A special thank you to D&G Builders and Joiners for their generous sponsorship of our walk.

We're thrilled to share that, thanks to your incredible support, our Baby Loss Awareness Week activities raised over £1,000! These funds will go directly towards projects that will make a meaningful difference for local families here at the Trust - families who, sadly, are experiencing the heartbreaking loss of a baby.

Thank you once again for your compassion and generosity. Your support means the world to us and to those who need it most.



Baby Beat

Supporting Babies & Mothers across Lancashire & South Cumbria

A huge thank you to our wonderful Baby Beat supporters

Purling for a purpose!

The team at All Age Continuing Care and Individual Patient Activity Team at Lancashire and South Cumbria Integrated Care Board set themselves the challenge to learn to knit throughout September. Carrie, Sue, Tracey, Karen, and Sam generously donated their cute creations to our Baby Beat Shop!

In addition to their kind donations, they also raised an amazing £180 from friends, family, and colleagues who supported their challenge. Well done, ladies, and thank you for your creativity and dedication!

A knockout success!

A huge thank you to Warton dad Aaron Pinder, who raised an incredible £661.63 for us through a charity boxing match! While he didn't win the fight, he certainly won for us by smashing his £500 target.

Thanks to support from family, friends, and colleagues at Melling Performance Springs Ltd and Whitewood Mortgages, Aaron delivered a knockout donation!

Preston Guild Lodge 4408's Christmas fundraising!

We're incredibly grateful to everyone at Preston Guild Lodge 4408 for their incredibly generous donation of £1,000 just before Christmas. They chose to support us in recognition of the exceptional care provided to the family of group member Richard Crighton-Harris by our dedicated neonatal team when his son was born prematurely.

Your thoughtful contribution will make a real difference, helping our NICU team continue to care for the tiniest patients at Lancashire Teaching Hospitals when they need it most.

Thank you again for your kindness and support. Your generosity means so much!

Radiography's charity raffle

Our colleagues in Radiography went above and beyond to support the mothers, mothers-to-be, and children we treat by hosting a charity raffle and bake sale to mark World Radiography Day. They raised an incredible £1,153.21.

A big thank you to Sara Lycett and her Radiography students for all their hard work and fundraising efforts. Your dedication makes a real difference!

Christmas Carols at Barton Grange Garden Centre

A big thank you to the wonderful team at Barton Grange Garden Centre for choosing us as one of their charities to benefit from the funds raised through their annual Christmas Carols Concert with the Fellside Team of Churches and the Preston Salvation Army choir.

Not only have they supported us through this generous donation of £1,500, but Barton Grange has been a consistent supporter of Baby Beat over the years, contributing to various raffles and events. We're incredibly grateful for their continued generosity, which helps us support babies, mums, and mums-to-be here at Lancashire Teaching Hospitals NHS Foundation Trust.

Running for Ayla

We'd like to extend our heartfelt gratitude to Troya Barnett, from Sandbach, who undertook a 100-mile walking challenge in September to thank us for the care her daughter Ayla received at Lancashire Teaching Hospitals NHS Foundation Trust after being born at 29 weeks and needing specialist care from our amazing NICU department.

She raised an impressive £845 for us and the neonatal team at Mid Cheshire Hospitals Charity. We are incredibly grateful for Troya's dedication and support to us here at Baby Beat.

Thank you, Troya, for your fantastic support in thanks for Ayla's care. The funds will help us continue to provide essential support for other families when they need it the most!

A blanket success!

Thank you so much to our lovely Lancashire Teaching Hospitals NHS Foundation Trust colleague Suki Singh, who works in Paediatric Audiology at Fulwood Clinic for not only making a gorgeous blanket but raffling it off to raise funds for Baby Beat! She raised a wonderful £161 which will help us continue to fund projects in support of all the babies and mums we care for here.

Baby Beat Shop and its Victorious Volunteers!

A special thank you goes to our fabulous volunteers, who give their time to support Baby Beat by being the face of our charity at our much-loved and visited shop, situated at the Sharoe Green Unit at Royal Preston Hospital.

Recently, they handed over the profits from the last financial year – an incredible £27,925! This amount is up by £6,300 on the previous year.

Our volunteers work hard Monday to Friday, supplying you with baby gifts, outfits, and refreshments, always welcoming you with a smile. We would also like to thank our community of knitters who donate teddies, gifts, blankets, and clothing that so many of you love to purchase.

This fantastic figure would not be possible without our volunteers and, of course, our customers. Choosing our shop allows us to continue providing the best care and treatment for the mums, mums-to-be, and babies here at our hospitals. Thank you!

Charity Tombola - ICON Week

Back in September, our three Maternity Health Coaches, Michelle Ridding, Margaret Gretton, and Lisa Williams, raised a fabulous £131 during ICON Awareness Week through a charity tombola!

ICON Awareness Week is dedicated to raising awareness about infant crying and how to manage it. We want to say a huge thank you to the ladies and all those who supported them! Your support makes a big difference in our efforts to raise awareness for this important cause.

Baby Beat's cricket champions

Thanks so much to the three cricket teams from Lancashire Teaching Hospitals Trust, who raised an amazing £1,650 in a one-day tournament at Guy's Thatched Hamlet, Bilsborrow. The teams, captained by Dr Hari Bhaskar Kemparaju, Mr Kaushik Ghosh, and Dr Praful Reddy, were part of the NHS Lancashire Teaching Hospitals Cricket Club.

Special thanks to Sean Wilkinson and Anne Musella for hosting the event, and to all players and supporters for making it a success. This generous donation will help fund projects for the Trust's youngest patients and their families.

Eye-mazing support for Baby Beat!

A big thank you to Jane Caine and her fantastic colleagues at the Lancashire Eye Centre, Chorley Hospital who raised £128 for us through a Charity Raffle. The team have been steadfast supporters of Baby Beat and we are so grateful for their generosity and kindness to raise funds for our maternity and neonatal services.

Our Charity Lottery

Have you ever thought about playing our Charity Lottery? For just £1 a week - less than the cost of a cup of coffee - you can help us provide the best possible care for patients across Lancashire and South Cumbria.

It's quick and easy to sign up, and you could win an incredible £25,000! Don't miss out - visit www.lthcharity.org.uk to sign up and find full terms & conditions.

ONLY £1 PER TICKET!

GRAND Spring Raffle

WE ARE EXCITED TO ANNOUNCE THAT OUR GRAND SPRING RAFFLE IS NOW LIVE!

The Grand Spring Raffle will raise vital funds to support hospital charity initiatives. Every ticket purchased helps us provide enhanced care, equipment, and services for patients across Lancashire and South Cumbria.

The charity has been lucky enough to receive generous donations from some amazing local companies, meaning these prizes are not to be missed.

SO, WHAT COULD YOU WIN?

FIRST PRIZE
£1,000 holiday voucher

SECOND PRIZE
£500 holiday voucher

THIRD PRIZE
£200 holiday voucher

SCAN TO ENTER

PLUS, LOTS OF AMAZING RUNNER UP PRIZES!

DON'T MISS OUT

Closing date for entries is Tuesday 20th May 2025.
Winners will be drawn on Thursday 22nd May 2025.
For further details visit:
www.lthcharity.org.uk/spring-raffle

GOOD LUCK!!

UPCOMING FUNDRAISING EVENTS

Dates for your diary!

COMING SOON!

National Superhero Day - 28th April 2025

Got a favourite superhero? Or maybe NHS workers are your real-life heroes? This National Superhero Day, join us by dressing up as your ultimate hero and help raise crucial funds for Baby Beat or our hospital charity!

Whether you're at home, school, work, or out with family, it's easy to take part. Simply dress up as someone you admire and donate £1 to support incredible projects across our hospitals.

Skydive – 3rd May 2025

Ready for the ultimate adrenaline rush?

We're looking for thrill-seekers to take on a sponsored skydive, experiencing the exhilaration of freefall while raising valuable funds for Baby Beat or any other ward/department of their choice at Lancashire Teaching Hospitals.

Don't miss this once-in-a-lifetime adventure - sign up today!

Firewalk Charity Challenge - 8th May 2025

NEW FOR 2025!

Join Lancashire Teaching Hospitals Charity and Baby Beat for a hot new charity challenge – our very first firewalk – taking place at Royal Preston Hospital!

Feel the heat on your feet for your chosen charity, and make a real difference for local patients. This unique experience costs just £20 to register, and we ask that our walkers raise a minimum of £50 in sponsorship for their cause.

Scan the QR Code for more info

Cross Bay Walk - 22nd June 2025

Join us for an unforgettable experience at this year's Cross Bay Walk! This scenic 8-mile trek across the breathtaking sands of Morecambe Bay, from Arnside to Grange, is a unique challenge and a fantastic day out.

Whether you're taking on the adventure solo or with friends and family, every step you take helps raise vital funds for Baby Beat or Lancashire Teaching Hospitals.

Secure your place today and make a difference!

NHS Big Tea - 5th July 2025

Get ready to brew up something special for the NHS Big Tea 2025!

This fun and feel-good event invites you to host your own tea party, raise a cuppa, and celebrate the incredible work of our NHS staff. Whether you're hosting at home, at work, or with friends, every sip helps raise funds to support our hardworking NHS teams here at Lancashire Teaching Hospitals!

CHARITY ABSEIL

Saturday 29th March 2025

Peel Tower, Holcombe Hill in Bury

WILL YOU PLEDGE TO GO OVER THE EDGE FOR OUR CHARITY?

Descend a drop of 128ft with picturesque views across Lancashire to raise vital funds for charity projects across our hospitals!

Kindly Sponsored by fwp

PROJECTS WE'VE FUNDED

Here at Lancashire Teaching Hospitals Charity, your support and donations make a real difference. Thanks to your kindness and generosity, we can fund vital projects that wouldn't be possible otherwise…

New Sleeper Chairs for Paediatric ED

We're delighted to share that, thanks to the generosity of our supporters, the charity has funded four brand-new sleeper chairs and a sofa for the Paediatric Emergency Department (ED) at Royal Preston Hospital!

With over 10,000 young patients cared for each year, these additions will truly make a difference. The sleeper chairs will give parents a comfortable place to rest or sleep while staying close to their child, and the new sofa replaces the old one, which had become worn and damaged, as part of ongoing improvements to the patient environment.

A special thank you to the Shepherd Street Trust, who generously funded one of the sleeper chairs with a donation of £1,225. Thank you to everyone whose support has made this possible – your kindness is helping us enhance care for families during difficult times.

New Equipment enhances Physiotherapy department

Exciting news from our Physiotherapy Team! Thanks to the generosity of our donors, the Physiotherapy Department at Lancashire Teaching Hospitals NHS Foundation Trust now has two brand-new handheld dynamometers.

These tools allow us to accurately measure muscle strength during rehabilitation, providing more precise tracking of patient progress. The dynamometers are especially helpful for patients recovering from surgeries like ACL reconstructions, shoulder repairs, and Achilles injuries, as well as those returning to sport.

Thank you to everyone who contributed – your support is directly improving the care we provide!

‘Tilt in Space’ Chairs for Stroke Patients.

Thanks to the incredible support of our donors, we’re excited to announce the arrival of new specialist seating for stroke patients at Lancashire Teaching Hospitals NHS Foundation Trust.

These ‘tilt-in-space’ chairs provide vital postural support and pressure redistribution, specifically designed to assist patients in the early stages of their rehab journey.

Having access to the right seating is essential for stroke patients’ recovery. These chairs are used throughout the day to support positioning and posture, which is key for everything from respiratory function to social interaction. They allow even our most dependent patients to sit up safely, engage with their surroundings, and take part in important rehab activities, significantly enhancing both their quality of life and recovery outcomes.

A huge thank you to everyone whose generosity made this possible. Your support is helping us provide the best possible care for our patients.

Renal Unit Staff are Screen Saviours for Patients

Staff at the Renal Unit, Royal Preston Hospital, have helped transform patient experience by raising funds for 28 brand-new Smart TVs for dialysis patients.

Dialysis sessions can last up to four hours multiple times a week, and having working TVs provides a welcome distraction. Thanks to fundraising efforts, including an 11-mile sponsored walk from Chorley to Royal Preston Hospital, staff raised almost £6,000.

With additional support from the hospital charity, the £17,792.78 project was completed, installing Panasonic, Toshiba, Sharp, and LG TVs to NHS standards.

Fundraising Manager Joanna Allitt said: ***“It’s fantastic to help make this long-standing wish a reality. The new TVs will make a real difference to patients undergoing dialysis.”***

Enhancing Care: Baby Beat's Latest Funded Project

Creating a calming space: transforming the Gynaecology and Early Pregnancy Assessment Unit

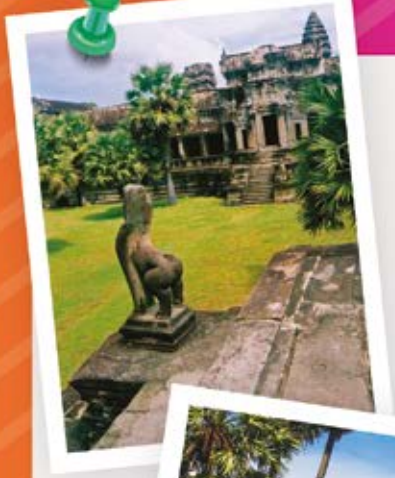
Thanks to the generosity of our supporters, we've funded wall art and new furniture worth £15,242.20 for the newly refurbished Gynaecology and Early Pregnancy Assessment Unit at Royal Preston Hospital.

The unit's new scan suite, walk-in assessment area, waiting room, two treatment rooms, and corridor have all been redesigned with calming murals and comfortable seating to create a less clinical environment, aiming to reduce anxiety for patients and their partners.

David Styles, Matron for Gynaecology Services, highlighted the need for a calm space, as the unit sees around 8,000 patients annually, many of whom face early pregnancy complications and loss.

The newly added walk-in area, funded by Baby Beat, also provides three recliner chairs for patients undergoing long treatments, prioritizing comfort.

David and his team worked with Lustalux Ltd in Preston to bring the design ideas to life. We are proud to help make the unit a more comforting space for patients and deeply grateful to our donors, fundraisers, and volunteers for making this possible.



TREK TO ANGKOR WAT

JOIN US FOR THE TRIP OF A LIFETIME ON A CHARITY TREK TO CAMBODIA

Kindly sponsored by LEYLAND Beds & Furniture

A CHALLENGE LIKE NO OTHER!

Embark on a nine-day journey through Cambodia's breathtaking hills, valleys, and forests, finishing at the iconic temple of Angkor Wat to raise crucial charitable funds for Lancashire Teaching Hospitals NHS Foundation Trust!

Baby Beat

Lancashire Teaching Hospitals Charity

Registered Charity 1051194

Meet Elaine, our wonderful Baby Beat Volunteer

Within the busy maternity department at Royal Preston Hospital stands the Baby Beat Shop - a cherished space filled with adorable baby clothes, beautifully knitted teddies, gifts, food, and drinks. Its success and impact are made possible by a dedicated group of unsung heroes: our volunteers.

In this edition, we'd like to introduce you to Elaine, a Baby Beat Shop volunteer for 10 years. Thanks to her deep dedication to the NHS and caring for others, she has witnessed Baby Beat's journey from its humble beginnings to the thriving charity it is today. Elaine has become an integral part of the Baby Beat story, supporting not only in the shop but also at our events.

Elaine began her career as a nurse in 1974, moving into midwifery in 1978 - a natural progression for her. After all, what could be more special than bringing new life into the world? Her career in nursing and midwifery spanned over 43 years until her retirement in 2014.

Elaine shared, ***"The NHS has been like a family to me. I've always needed an outlet for supporting people, and my career within the NHS has been a rich tapestry. I love giving something back, seeing Baby Beat grow, and witnessing the difference fundraising makes to projects across Sharoe Green. I really enjoy speaking to our customers - staff, patients, and their families. I may be retired, but I'm still part of a very valuable team!"***

Elaine also volunteers with the Chaplaincy at Royal Preston Hospital, providing comfort to end-of-life patients receiving palliative care.

Here at Baby Beat, we are so lucky to have Elaine - our shop wouldn't be the same without her. Thank you, Elaine, for all you do!

Baby Beat

Supporting Babies & Mothers across Lancashire & South Cumbria

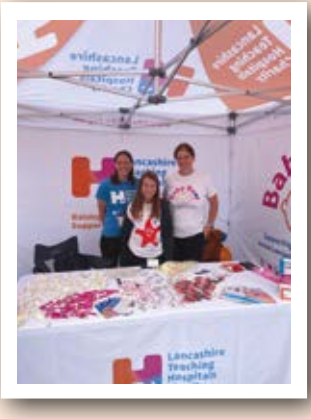
If you would like some more information about becoming a Baby Beat volunteer, please call our charity team on 01772 524414, we would love to hear from you.

Making a donation

Registered with FUNDRAISING REGULATOR

Your generosity helps fund vital projects across Lancashire Teaching Hospitals, providing enhanced care, specialist equipment, and invaluable support for patients. Whether you choose to support Baby Beat or Lancashire Teaching Hospitals Charity, every donation makes a meaningful difference.

There are several ways to donate:



In Person
